

Splendid Premiums for Club-Raisers:

A Good Watch and Chain FOR AN HOUR'S WORK.

What It Is, and What Is Said of It.

One of the most serviceable watches ever made, a stem-winder and stem-setter. The case is nickel, having the exact appearance of silver. **THIS IS NO TOY**, but an ordinary modern watch which will last for years, and one which any person may feel proud to carry. It is guaranteed by the manufacturer and by us. A watch like this a generation ago would have cost \$20, but the fact is it contains appliances unknown at that time.

In addition to the watch we send in every instance a handsome chain and charm, so that the outfit is ready to put on and wear as soon as received.

We do not sell this watch without the paper, and no one can secure one of these splendid timepieces by itself. We

will send this watch by mail to any person who will send us a club of only

FOUR YEARLY SUBSCRIBERS.

Understand that you pay nothing for the watch, but send us four names and addresses of subscribers to THE NATIONAL TRIBUNE with \$1 for each subscriber, who will receive the paper for one year, and we will send you the watch, chain and charm, postpaid, to your address absolutely free of charge.

In addition, the subscribers will each receive two great war books, described elsewhere. This makes club-raising easy.

No one, therefore, need be without a watch equal for keeping time to any in the neighborhood. It will not take an hour for anyone to get up this small club of only four subscribers at \$1 each for the best family newspaper in the U. S.

TESTIMONIALS:

Bridgeton, Ind., Jan. 14, 1897.
Editor National Tribune:
Dear Sir: I have received the watch for getting up a club of four. I am highly pleased and feel well repaid for my trouble. The subscribers have all got their paper and the books, and all are well pleased. They say the books are worth the money without the paper. Thanking you for the present, I remain, yours truly,
Arthur Woods.

Sandy Lake, Pa., Jan. 10, 1898.
The National Tribune.
Dear Sir: The watch you sent me is a good timekeeper. It keeps as accurate time as any watch I ever carried. I thank you, comrade, for such a nice premium, for I am proud of it.
Fraternally,
W. T. Munnell.

A BEAUTIFUL GOLD PENCIL.

This beautiful gold pencil carries standard sizes of leads, which can be replaced at any stationery store. It has a ring at the top, and can be attached to a guard or watch-chain. It is sent postpaid to any address as a premium for a club of only two yearly subscribers. It comes filled with leads, ready for use.

SET OF SIX Silver-plated Teaspoons FREE For a Club. See Offers Below.

These teaspoons can be used in cooking, eating and medicine the same as solid silver. They will not, cannot corrode or rust. Teaspoons of equal merit are sold in jewelry stores for \$1.50 and \$2.00 a set; but because we buy at factory prices, and because we do not make any profit on the spoons (the subscription is what we want), we furnish them at a great bargain. In beauty and finish they are perfect, and for daily use there is nothing better. The back of these spoons is nickel-silver metal, which is silver color through and through, and is then well plated with silver.

To test these spoons, use acid or a file. If returned to us we will replace, free of charge, the spoon damaged in making the test, provided you tell some of your neighbors what the test proved. We make this offer because such a test is the best advertisement we can get, leading as it does to additional orders. We absolutely guarantee each and every spoon to be as described and to give entire satisfaction or money refunded.

Initial Letter.
Each and every spoon will be engraved free of charge with your initial letter. We will send a set of these beautiful teaspoons, marked, post-paid, for a club of only three yearly subscribers at \$1 each.

DECORATED CHINA CLOCK.

The Flag will be sent by Express, the receiver paying the Express charges, which should not usually exceed 40 cents.

Standard Flags.

We are prepared to furnish flags without the outlay of money. We will give them away as premiums to Club-Raisers as a reward for various sized clubs of yearly subscribers. All subscriptions must be taken for one year at One Dollar each.

These flags are made of Navy Bunting, and are Standard in every particular, and just such flags used by the Army and Navy of the United States.

There is a Star for every State. Remember, no money is asked for the flag. All we want is co-operation in our effort to recruit a NATIONAL ARMY OF ONE MILLION. We shall spare no cost to accomplish this end.

We give flags of various Standard sizes for clubs of corresponding numbers, as shown in the table below, viz:

A Word to Club-Raisers:

There never was a time when it was so easy to raise a club for THE NATIONAL TRIBUNE as now. From now on the people spend money for winter reading and holiday gifts. There is nothing better for these purposes than our paper and our books.

Our present offer of the splendid Greeley books at a bargain strictly limited to subscribers helps the club-raiser, because many people will subscribe just to have the privilege of getting these books at a bargain price. As a matter of fact, this offer was specially devised to help club-raisers. The purpose is to make it so well worth while being a subscriber to THE NATIONAL TRIBUNE that club-raisers will easily get subscriptions wherever they may ask for them.

If there are other articles than these mentioned on this page that the club-raiser prefers, let him write us and we will inform him at once as to the size of club required.

Last year club-raisers nearly doubled the circulation of THE NATIONAL TRIBUNE. This year they can more than double it, as we are doing everything possible to insure their success. The club-raiser can take \$1 subscriptions, giving with each any two of the 13 books described below; or he can take \$2 subscriptions, giving with each the Greeley Volumes, described on 12th page.

Send for sample copies if they can be used to advantage, but get to work at once. You have only to show the paper you have in hand, and mention the liberal book offers that go with each subscription, to get up a nice club right away. There is prosperity in the land. Everyone who is active now can share it. Make a test of it to-day by starting a club for THE NATIONAL TRIBUNE.

OUR WAR BOOKS.

The list of our popular war books is presented below. They are all standard and well bound in leatherette covers.

We send a choice of any two of these volumes free, postpaid, to every subscriber, with the paper for one year, all for \$1.

We give the two books whether the subscription is sent direct to us or handed to a club-raiser.

Those wishing more than the two books we send with each yearly subscription, can get one volume as a premium for each subscriber sent in. Thus any two of these books is sent for a club of 2; three for a club of 3, and so on. But for a club of 9 we will send the club-raiser all the 13 books, while each subscriber gets his two, according to choice.

The Most Valuable of Premiums.

Beautiful China, Decorated in Three Colors.

Pure White Back Ground, Gold Edges.

This ware is beautiful semi-porcelain of American manufacture. We have given away thousands of sets as premiums to club-raisers. We do not sell them.

The few pieces shown above are simply as samples to exhibit the style of shape and decoration of the set.

We have two sets of this china: First, a 36-piece set, which consists of 12 plates, 12 fruit-saucers, a teapot and cover, a sugar-bowl and cover, a creamer, one bowl, one dozen tea-cups, one dozen saucers to match, one bread-plate, and one cake-plate. We have also a dinner and tea set combined, consisting of 84 pieces. This dinner set comprises 12 dinner-plates, 12 tea-plates, 12 cups, 12 saucers to match, 12 fruit-saucers, 12 individual butter-plates, two cake-plates, one teapot and cover, one sugar-bowl and cover, one creamer, one bowl, one large meat-platter, one large, stylish gravy-boat,

and one large vegetable dish and cover; making in all a complete dinner set of 84 pieces.

We will send the 36-piece set to any of our friends who will send us a club of 10 yearly subscribers to THE NATIONAL TRIBUNE at \$1 each, and \$1 additional money to help pay the expense of packing and shipping.

We will send the 84-piece set to any one who will send us a club of 10 yearly subscribers to THE NATIONAL TRIBUNE at \$1 each, and only \$2 additional money to help meet the extraordinary expenses connected with this offer. These handsome sets of china are securely packed in barrels, and will be sent by freight, the receiver paying charges.

The freight expense will be very trifling—seldom exceeding 50 cents—as we shall have them shipped from the pottery, which is located in the center of the country.

The Home of the Bible

No American woman has more readers than Marion Harland, and her latest book is her greatest. She traveled on the back of a camel or on foot or on horse-back throughout the Holy Land and Syria. She followed the footsteps of Jesus and from Bethlehem through Galilee, to Jerusalem and the Jordan and the lake where he first bade his Disciples to follow him. She went down into Egypt, to Damascus, and other famous places renowned in sacred story. She saw the field of Boaz, the plains of Shimon, Lebanon, Carmel, and the Mount of Olives, where the tragedy of the Cross was enacted.

All these places she has described in a splendid volume of 446 pages, richly bound and illustrated with the finest halftone pictures made from photographs taken especially for this work. It is a life picture of the scenes of the sacred writings.

We will send this magnificent book, postpaid, to any one who will send us a club of only four annual subscribers at \$1 each.

Quadruple Plate Silverware.

We have something now that we know will be received with great favor, for two reasons. In the first place, it is useful, artistic and good; in the second place, it is a bargain.

We are talking about the magnificent tea set shown in the illustration above. It consists of four pieces—teapot, cream-pitcher, sugar-bowl, and spoon-holder. It is delicately chased. The forms are pure, modeled after examples of Greek classic art, as will be noticed in the illustration.

We have secured a teapot of extra large size, being about one-third heavier than in the ordinary silver service. The ware is quadruple plate, so stamped and guaranteed. It is just such a set as sells in the ordinary retail stores for from \$8 to \$9. We have been very particular to get a specially desirable quality of ware from a standard manufacturer, and of the latest and most fashionable design. Any family not already fully supplied with artistic table furnishings will find this set all that can be desired. It cannot fail to give satisfaction. We will send this set complete, carefully packed in a wooden box, by express, to anyone who will send us a club of six yearly subscribers to THE NATIONAL TRIBUNE and \$1.50 extra, to pay packing and incidental expenses.

If, however, anyone should desire the teapot without the other pieces, we will send it to any address for a club of five, without any additional money. If the sugar-bowl, cream-pitcher or spoon-holder should be desired by those who are already supplied with a teapot, we will send these three pieces as a premium for a club of three for each piece, without additional money. In all cases these goods are sent by express, and the receiver will pay the charges, more on account of convenience and dispatch in doing business than for the amount involved, because the charges will be but trifling to any part of the country where there is an express office.

uses to every comrade he may meet, and is an emblem of that fellowship which exists between men who have marched, fought, and camped together. We do not sell it, but send it, postpaid, as a premium for a club of only two yearly subscribers.

G.A.R. Sleeve-Buttons.

The Veteran's Charm.

Thousands of our subscribers during the past 20 years have secured a pair of these end-buttons, which we have made especially for our use as a premium. They are gold plate and the emblematic device is shown in the illustration. They are not cheap stuff, and every veteran should have a pair. They are sent, postpaid, as a premium for a club of only three yearly subscribers.
